SUPPLYING THE WORLD - YOUR SINGLE SOURCE SUPPLIER

Oakton EcoTestr pH2

Easy-to-read display with an easy-to-afford price!

- Ergonomically designed LCD means measurements can be seen at a glance
- Economical and easy to use
- Waterproof and dustproof housing
- Auto Buffer Recognition
- 3-Point Calibration
- Automatic Temperature Compensation

Simply dip and read -- the orientation of the display means no need to turn your head or tilt the tester. This low-cost meter is perfect for most applications. The single-junction electrode is recessed to protect against breakage. The unit offers up to three-point calibration with auto-buffer recognition for quick calibrations, automatic temperature compensation for accurate reading under changing conditions, hold function to lock measure value, and auto-off to prolong battery life. Built-in belt clip allows you to hang your meter when not in use.

Pocket Clip

Clear Cap
